

Polyimide Film Protection Tape

Polyimide tape,also know as Kapton tape,goldfinger,The tape is a polyimide film as the substrate,single sided high performance silicone pressure sensitive adhesive coated,single sided fluoro plastic from composite materials or types of composite materials,Coated precision reaches $\pm 2.5\mu\text{m}$,no...

Product Details

Polyimide tape,also know as Kapton tape,goldfinger,The tape is a polyimide film as the substrate,single sided high performance silicone pressure sensitive adhesive coated,single sided fluoro plastic from composite materials or types of composite materials,Coated precision reaches $\pm 2.5\mu\text{m}$,no scratch,excellent feature in temperature and solvent resistant.

Polyimide tape TDS

| Product name | Glue | Tape thickness | Adhesion | Tensile strength | Elongation | Operating temperature |
|----------------|----------|----------------|----------|------------------|------------|-----------------------|
| | | (mm) | (N/25mm) | (N/25mm) | (%) | (°C) |
| Polyimide tape | Silicone | 0.05 | 5 | 115 | 35 | 260 |
| Polyimide tape | Silicone | 0.06 | 7 | 115 | 35 | 260 |
| Polyimide tape | Silicone | 0.08 | 5 | 115 | 35 | 260 |
| Polyimide tape | Silicone | 0.12 | 6 | 115 | 35 | 260 |
| Polyimide tape | Silicone | 0.125 | 6 | 115 | 35 | 260 |
| Polyimide tape | Silicone | 0.15 | 7 | 115 | 35 | 260 |
| Polyimide tape | Silicone | 0.18 | 8 | 115 | 35 | 260 |

Application:

- 1.polyimide tape for sold wave protection
- 2.kapton tape for 3D printer
- 3.polyimide tape for cable wrap
